

Repair Warranty

Co-Operative Industries Aerospace & Defense warrants each unit overhauled or repaired at its facility to be free from defects in material and workmanship under normal use and service for 1 year from the date of shipment after service.

This warranty is limited to the correction at no-charge of any such unit that proves defective within 1 year from the date of shipment following the repair/overhaul. The unit is to be returned to Co-Operative Industries with all transportation charges prepaid for inspection and evaluation.

For return information, contact the Contracts Department at Co-Operative Industries; phone (817) 740-4700 ext. 780.

Effective April 24, 2014
